TOKEN AND MEDAL AUCTION #30

PART II

CLOSING DATE: JULY 20, 1981

BIDDING RULES:

1. Bid the highest amount you are willing to pay for the lot. Your bid will be reduced to a 10% advance over the second highest bid. There is no limit to the amount that we will reduce a bid.
2. Bids under \$10.00 will not be reduced and bids will not be reduced to under \$10.00.
3. In instances where there are duplicate lots, you may bid on an either/or basis and indicate a preference if you like.
4. You may establish an overall limit on your winnings **ON THE MAIL BID SECTION ONLY** by indicating your limit in the proper space on the bid sheet.
5. All invoices will be shipped with lots enclosed and are payable within 7 days of receipt. Returns must be made within this period. We attempt to use strict numismatic standards in our grading and to note defects, which in our professional judgment, affect the value of the item. However, we do make mistakes and will accept returns when we are in error. On the other hand, capricious returns will not be tolerated.
6. Postage and insurance will be added to all invoices and paid by the bidder. We ship most lots via UPS unless instructed differently. Bidders on the heavier medallion items who use post office boxes are urged to give us their street address for UPS delivery. UPS charges are often half that of the Postal Service.

AUCTION SUBSCRIPTION

Our current charge is \$2.00 for the next two issues plus Prizes Realized. If you are uncertain as to the status of your subscription, just check the subscription box on the bid sheet and we will bill you only if your subscription has expired.
